WORKING FOR OUR COMMUNITY

John Godbold is a Parish Councillor for Badger Farm and he has represented his community for over twenty years, ten as Chairman. John has lived on Badger Farm for thirty years with his wife Sheelagh and their three dogs and two cats. His grown up sons attended Stanmore and **Kings' Schools** before going on to Peter Symonds and university.

John is a retired computer engineer with a great interest in country sports and rural affairs. As Chairman of the Parish he has overseen the installation of two large play area projects and the improvement of the local chalk grassland.

John has an interest in local planning issues, with the sympathetic development of Bushfield Camp as a **high priority**. Another of John's priorities is the increasing strain that development is putting on the infrastructure of the southern parishes in the form of traffic and over stretched GP services.

Making the new sports centre appeal to all ages and abilities is an important aim for WCC. John is fully **behind this plan and says, "This fantastic new facility when complete must serve the whole community."**

If elected, John would like to carry on his defence of the local communities and see improvements to the transport connections for the outlying villages.

JOHN'S PRIORITIES

- Improve the southern approaches to Winchester which can look unappealing to our visitors.
- Reduce speed of traffic through local estates and villages.
- Ensure future development meets the actual needs of Winchester residents and is in keeping with our ancient City.
- Strive to improve the night time economy of the City and make it more family friendly.
- Continue to develop Whitechute Ridge and adjoining land as a wonderful resource for residents and visitors.
- Keep in touch with residents and listen to their concerns.

Steve says, "I have known John Godbold for some years now, and he will be known to local residents through his years of work and leadership on Badger Farm Parish Council.
