WORKING FOR OUR COMMUNITY

Cllr Sue Cook is the Conservative City Councillor for Colden Common and Twyford Ward. She was elected in May 2015, re-elected in May 2016 and is also an active member of the Twyford Parish Council. Sue has lived in Twyford for 24 years with her family, including a very new grandson and a very friendly chocolate Labrador, and has always been involved in the village community and its events.

As a councillor, she has assisted residents with many issues such as fighting inappropriate planning applications, tackling speeding through the villages, and making road and pavement improvements. In addition, she is very passionate about maintaining the nature and character of this area, pushing back against inappropriate development even on the boundaries of Winchester.

Sue understands the day to day problems that face the communities across this area and has been working hard to solve them. From slow broadband to heating problems, no issue is too small for her to be involved in. She takes each case very seriously and wishes to continue to do so and continue to assist the community that she truly believes in.

Sue says, "I love representing the people of Colden Common and Twyford and I hope that once again you will give me the opportunity, as your Councillor, to continue to be that listening ear and the one that will act upon your questions asked and return with a solution and get the job done in a timely manner".

THE LOCAL CHOICE TO REPRESENT YOU

Local MP, Steve Brine endorses Sue Cook

Steve says, "Sue Cook has thrown herself into her role as a local councillor, and I am delighted that she is standing again. She has been extremely forceful in challenging Eastleigh's Local Plan disaster, which could bring chaos to the villages, and will continue to work with both me and County Cllr Rob Humby to support residents through this mess. I am struck by just how many people Sue knows throughout the area from her work volunteering with local charities and organisations, and I urge local people to support her."

I'm supporting Sue Cook
