Ian
BENNETT

Ian moved to Chandler's Ford from London in 1984 and lives in the borough. Both of his children attended Thornden School. A successful businessman, Ian has **two offices in Chandler's Ford** and has been the Managing Director of a local IT consultancy for over 27 years.

Ian says, "I am keen to make sure that Chandler's Ford is economically vibrant, attracting businesses and jobs which will **benefit the whole community**".

Ian has always contributed to the community. He was a founding member (and former Chairman) of the Hampshire Search and Rescue charity. In 2009 and 2013, Ian and his wife organised collections and aid which were shipped to victims of the devastating typhoons in the Phillipines.

Ben
DOLBEAR

Ben is eighteen years old and was **born and raised in Chandler's Ford**. He now studies English Literature at the University of Southampton and tutors younger children in English in his spare time. He is dedicated to our area, having attended local schools and been employed part-time in various local businesses.

Ben says, "I believe that being a councillor is the best way to get things done for our area. I may be young, but I care particularly about issues regarding the elderly and community cohesion. If elected, I will make sure that I represent **everyone to the best of my ability**".

Ben enjoys going to the theatre and ensuring that there is a loud, proud, Conservative voice at university.

Daniel
NEWCOMBE

Daniel is married with three young children aged 6 months, 4 and 6 years, one of whom attends a local infant school and one a local nursery. An Environmental graduate, Daniel works in Health, Safety, and Environmental management.

Daniel says, "Like so many young families who've made Chandler's Ford their home, I'm acutely aware of what is needed to secure the best environment for our children to grow up in. Being a councillor and getting involved seems to me to be the best way to get a say in the decisions which will affect our families and the **wider community**".

Daniel is a governor at a local school and active campaigner on local issues.

You will have **THREE VOTES** on 3rd May

The Conservative Team's Priorities:

- Realigning council budgets so that Chandler's Ford gets a fairer share of borough spending on local services.
- Getting on with producing a sensible Local Plan for local people to protect the borough from hostile planning applications and infrastructure pressures.
- Opposing plans for the Bishopstoke bypass which would bring traffic up to Junction 12 on M3 putting **intolerable pressure on roads in Hiltingbury and Chandler's Ford.**
- Demanding greater transparency in the Council's budget and decision-making.
- Stopping the regular **above-inflation price increases** for 'discretionary services' – garden waste, burial charges, pest control etc.

Steve Brine, your MP for the last eight years, says:

Steve Brine MP

"Already an active campaigner, Ben will be a breath of fresh air if elected to the borough council. He will be a great advocate for young and old alike in our community and I look forward to working with him as part of the Conservative team."

"Ian's business experience and entrepreneurial approach stand him in good stead to be a councillor. He has demonstrated his sense of duty and a strong commitment to the community over many years, always ready to use his skills and experience to help and support when needed."

"Daniel's enthusiasm for local issues is second to none, he already attends more council meetings than some elected councillors in Eastleigh! I've already been pleased to work with him on several issues. If elected, Daniel will be a hard-working representative for local families, always wanting the best for our area."

I'm supporting the Conservatives on 3rd May
