WORKING FOR OUR COMMUNITY

Paul Humm is the Conservative candidate for St Bartholomew ward in the May election of Winchester City Council.

The Humm family home has been in St Barts for over 2 years and, before that, in the Alresford area for over 30 years. Paul and Anne, married for 22 years, are proud parents to three 'grown up' children - 2 in university and the eldest running her own local business.

Paul worked for in the NHS for 10 years until 1985 and has since managed his own business. He believes this experience, together with a tenure as Chair of Governors at Perins School, will add a useful perspective to the City Council.

He wants to ensure good community and sports facilities are maintained at River Park.

Pedestrian safety, reducing vehicle pollution and appropriate development architecture, particularly on the Silver Hill and Station Approach projects are passions.

Paul feels communication and representation are key and would like to facilitate an improved conversation with the residents of St Barts using **social connectivity as well as 'face to face' meets**. Please do not hesitate to use his personal email and mobile to communicate your important views on planning, traffic, environment or whatever, so he in turn, can let Winchester City Council understand how people feel.
