WORKING FOR OUR COMMUNITY

Cllr Ian Tait is the Conservative City Council candidate for St Michael ward. He was brought up in the Fulflood area and has always lived in Winchester, presently based in Bereweke Road. He went to Western, Westgate and Peter Symonds College and previously worked for Nat West in Winchester. Ian now works as a consultant in the area of sustainable development, specifically relating to affordable housing. Ian's family have been in the City for well over 150 years being jewellers, dentists, accountants and teachers, amongst other things.

First elected to the City Council in 1999, Ian has been re-elected 5 times. He is closely involved in housing and planning and has been one of the most passionate and outspoken supporters for increasing the amount of affordable and inclusive housing across the District. Over his nineteen years on the Council, Ian has argued strongly for more investment in the Council's housing stock.

He is a long-standing trustee of St John's Winchester Charity and the Winchester Housing Trust who between them offer housing for almost 300 people.

Also a long-standing school governor at St Faith's and a Relate receptionist, Ian is involved in a number of other charities and not for profit organisations dealing in support for the elderly and those who care for parents, partners and children.

Your Strong Local Team - Cllrs Ian Tait, Guy Ashton and Fiona Mather with Steve Brine MP

Local MP, Steve Brine endorses Ian Tait

Steve says, "Ian Tait and I have worked closely together for more years that either of us care to remember, and he has a reputation for throwing his heart and soul into the role. He needs little introduction to residents, and always brings a challenging, passionate and refreshing voice to the life of the City. I hope he is allowed to continue his work, as the City would be all the poorer without him."

I'm supporting Ian Tait
