

VOTE FOR CHRIS HUNT ON MAY 3RD

Chris Hunt and his family have had an association with Winchester for over 30 years so a vote for him is a vote for a highly motivated and conscientious individual who will work for ALL the residents of St Paul.

If elected to become local Councillor for St Paul's, Chris will focus on quality of life issues, be that traffic congestion, speeding vehicles or the environmental impact from construction and business activity.

Chris states, "My primary goal is to ensure that every single resident in St Paul's feels that they have a representative who genuinely has their interests at heart and who constantly will go into bat on issues that are relevant to them."

Local MP, Steve Brine, endorses Chris Hunt

Steve says, "A long-standing resident of the St Paul ward, Chris is committed to giving local people strong and clear leadership if he is elected. Chris is genuinely interested in doing the job so that he can help make the area better, through the active communication and sheer hard work that it takes. He has a very impressive professional background, and I have no doubt he knows how to simply get things done. I would be delighted to help him in any way I can and I believe local residents should give Chris a chance to show them what he can do."

CHRIS'S PRIORITIES ...

- **Work to strengthen the St Paul's community** – for the young, old, students, professionals and those who are vulnerable.
- Work to remove traffic congestion while encouraging pedestrians and cyclists.
- Sustain a constant focus on the environment of the ward with the specific aims of making recycling **easier and effective and ensuring St Paul's retains** its unique and historic charm.
- Ensure that the city of Winchester retains its unique character and heritage especially around the station and in the city centre.
- Work on ensuring that top class services are **delivered and are suitable for St Paul's, while** keeping council taxes low.

POTHOLES AND ROAD SAFETY – GETTING THE JOB DONE

Chris says, “In recent weeks I have talked to many, many people in the St Paul’s Ward and one set of issues consistently comes up - “there are potholes in the roads”, “the traffic is dangerous”, “parking is a problem”. No one I have talked to has been able to say why the current St Paul’s councillors have seemingly ignored these road problems, but a vote for me will be a big step towards finally solving those issues which clearly matter most to you.

WINCHESTER - A TOWN FOR ALL

Everyone agrees that Winchester is a fabulous town in which to live and work and one of the issues that Chris is passionate about is that the nature and character of Winchester is preserved, maintained and enhanced. The city benefits from excellent schools, a great business environment and judicious investment.

The current redevelopment initiatives undertaken by the Conservative run Councils, be that at Bar End, around the Railway Station or the in the centre of the city, are all projects we can be proud of.

Chris Hunt says, “Winchester, our beautiful city, was bequeathed to us by previous generations. It’s our responsibility to ensure that future development benefits and enhances the wellbeing and lives, not just of our current residents, but those who will come after us.”

Prospective City Councillor, Chris Hunt, on Winchester’s High Street

CHRIS SAYS:

“St Paul’s is the best ward in a wonderful city, but we must not continue to be complacent. Dealing with local issues, such as road conditions and parking, requires effort but needs to be done. A focus on the environment generally, be that through recycling initiatives, the encouraging of pedestrians and cyclists or simply focusing on lower pollution levels will positively enhance all our lives.

If elected, the residents of St Paul’s can rest assured they will have voted for a conscientious, hardworking and, above all, effective Councillor.

I thank you for your support.”
