WORKING FOR OUR COMMUNITY

Tracey Anderson has lived in the Winchester area almost all her life. She grew up in Kings Worthy, now lives in Abbots Worthy and her family all live locally. A vote for Tracey is a vote for a highly motivated and conscientious individual who will work for ALL the residents of The Worthys ward.

Tracey once taught at Alresford's Sun Hill Infant School, and later worked for the Primary Behaviour Service providing support for local families and schools. She is currently well known as one of the leaders at the 1st Kingsworthy Rainbows group for 5-7 year olds.

Tracey has a keen interest in child and adult mental health. She is pleased that mental health services continue to improve, but feels that more can be done to improve access to the right mental health services and reduce waiting times for those in need.

Presently a part time office manager, Tracey feels strongly that Conservative representation is needed in the ward - someone who can work closely with the Conservative administration to achieve the best outcome for The Worthys.

Tracey is passionate about effecting positive change and listening to the needs of local residents. If elected, she will strive to give all residents of The Worthys a voice within the City Council.

TRACEY ANDERSON

THE LOCAL CHOICE
TO REPRESENT YOU

Tracey Anderson will campaign hard for improvements to be made to the A33 Cart & Horses junction. She feels strongly that the layout of the junction needs to be changed for the safety of all road users.

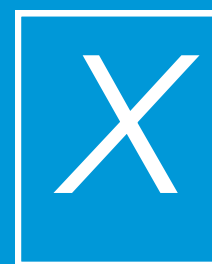

Local MP, Steve Brine endorses Tracey Anderson

"I have known Tracey for a long time now, and she would be a fantastic voice for local people. She would really mix things up, and bring a more balanced outlook to local representation, with fresh thinking and influence with Conservative-run Winchester City Council and Hampshire County Council."
